

Adjustable Length Nut Drivers

Adjusts to
any length
from
3" to 6"!

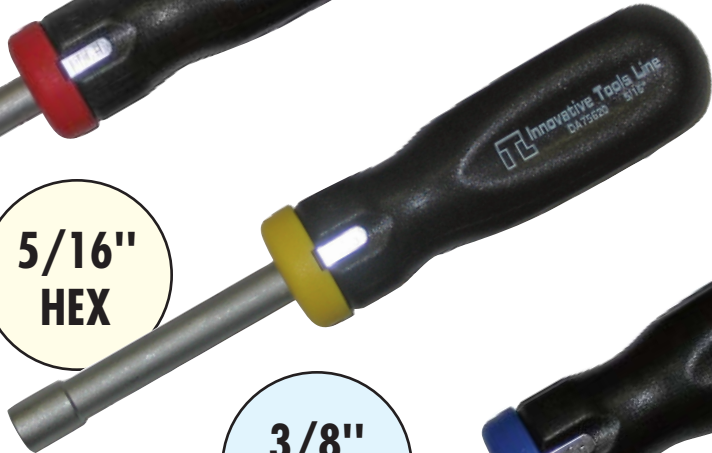

- Adjustable shaft lets you adjust the length of the nut driver shaft for the specific job -- *best nut driving tool to reach into awkward spaces!*
- Retractable design with easy push-button adjustment -- 3" extending to 6"
- Magnetic end allows precise placement and helps to avoid dropped hex screws.
- Comfortable molded grips are color coded by size
- Chrome vanadium steel shaft
