# KLENK'S DUAL DUCT KNIVES

*Giving Contractors A Choice --  
 Traditional Rosewood Handle or New Ergonomic Handle!*

- **STAINLESS STEEL BLADE:**  
 Both knives have a stainless steel, 3mm blade, serrated on one edge and smooth on the other.
- **CUTTING CAPABILITY:**  
 Cuts duct board, flex-duct, and insulation.
- **CONVENIENT SHEATH:**  
 Both knives come with a slim, reinforced Ripstop nylon sheath designed to hang from your belt.

- **NOW TWO HANDLE OPTIONS!**  
 Contractors can choose the traditional rosewood handle with brass rivets or our new ergonomic rubber handle. Both handles have the same high standards of quality construction and reinforcement.

**DA71010
