KLENK® DUCT SLICER

Klenk's New and Improved Duct Slicer slices safely through metal duct and works great for take-offs!

Easy-to-use Duct Slicer has the following improved features:

New bevel on tip

Beveled edge notch on the tip allows easier and more accurate piercing of sheet metal.

Improved heat-treated steel shaft

Provides durability and longer-lasting edge on tip.

Ergonomic handle

Contoured, rubberized grip on handle exterior gives users a more comfortable and secure grip.

Shock-absorbing handle, steel end cap

Re-engineered internal structure and steel end cap strengthens handle and absorbs shock when the tool is struck, decreasing hand fatigue.

Model No.	Product Description	Weight (lbs.)
