STAK-N-TOTES™

A convenient way to store your fittings, tools, and small parts!

- See all your parts and fittings at a glance without unstacking.
- Premium-grade galvanized steel is strong, sturdy, and corrosion-resistant -- outlasts plastic trays and takes the hard knocks.
- Stackable for compact storage.
- Five different compartment layouts allow you to store different size parts.
- All models now with drain holes!

MADE IN USA

Klenk's patented, space saving Stak-N-Totes™ are ideal for organizing, storing and transporting small parts, fittings, screws, nuts, bolts, tools, and more while using up less storage space in your warehouse, truck, or shop.

- Perfect for plumbers -- different compartment layout handle all size fittings, smaller parts, and tools.
- Our patented Stak-N-Tote™ trays easily stack and remain stable in truck beds.
- Compartment layout available just for pipe nipples.
